

POLAND 2009

NEW IMPACT HAMMER MILL FOR RAW-MEAL GRINDING SHOP

- 2.500 kW ball-mill system upgraded with new IHM for pre-grinding
- 800 kW installed motor power at hammer mill

RESULTS

- raw meal production increase: 140 t/h to 200 t/h
- reduced ball charge for energy saving operation
- total spec. power consumption, mill drives: -2 kWh/t
